July 18, 2023

Flawless Gymnastics Fitness & Cheer, LLC was created from a vision given to Perseus Carter, owner and wife Crystal Carter. The name FLAWLESS came from Proverbs 30:5; “Every work of God is flawless; he is a shield to those who take refuge in Him”. I, Perseus Carter, have learned that through faith, work ethic, perseverance, determination, and my love to help people is a recipe for success. Our goal is to become a positive faith base influence in the community and give people a safe and fun place to get fit.

**Our mission:** Flawless Gymnastics Fitness & Cheer, LLC is committed to physically and mentally training children, teens, and adults to enjoy exercising. To help build good discipline, character, and to believe in the impossible. We will provide a safe, quality, and fun environment that will enhance the self-confidence and physical abilities to all athletes, non-athletes, parents and coaches who desire to have healthier and more energetic lifestyles.

**Owners Bio:** Perseus Carter is originally from Detroit, Michigan where he gained all of his tumbling and gymnastics experience. He won multiple local, state, and regional titles over the years. He also won a United States tumbling championship which led him to compete in many countries for the USA Tumbling and Acrobatics team. He was a member of Michigan State University Men’s Gymnastics Team. Perseus has been coaching gymnastics, cheer, and tumbling for 45 years. Crystal, his wife and co-owner was also a high school athlete where she played basketball and ran cross country.

**The community:** Flawless has been in our current location for 3 years and is making a great impact on the community.

- Each year we have a Thanksgiving food drive, and all of the proceeds are donated to the local food shelter to help feed the hungry
- We have participated with various organizations by attending local events and have given away free gifts towards memberships, registration, and special events.
- Twice a year we host an open house event at our facility. These events were put on our hearts, as owners, to bring community businesses to life. We invite these local vendors to present their products and services. We do not charge them anything for a booth/space at our event. This gives them an opportunity to present their products and services to our customers.
  - Month of November – Flawless Anniversary Celebration
    - Invites:
      - Local vendors
      - Food trucks
      - Band
    - Performance by our teams
    - Games for the children and adults
  - Month of May – Customers Appreciation Day
    - This event was created as a way to give back to our customers. We cook for our customers, have performances, fun and games for the children, and also bring vendors in to showcase their products and services.

- We are working on bringing two non-profit programs to our gym:
  - Flawless Special Needs Gymnastics – once we receive funding for our air conditioning system, we will bring this program to fruition. We have our non-profit credentials but did not want to have a special needs program in this tumultuous heat.
  - Flawless Outreach Program – a program designed to offer gymnastics to under privileged children. We also have the credentials to begin this program and are working to begin this journey. Both programs are an intricate part of our vision.

The benefits of fundraising:

- HVAC system needed first and foremost:
  - keeps our children from overheating and/or dehydrating.
  - We could start our special needs program.
  - We would be able to host competitions.
  - We could bring back customer and grow our customer base phenomenally.
- Purchase more equipment:
  - We would like to add Ninja Warrior and Parkour programs.
  - Equipment for our 44Fit fitness program for our adult customers
  - Maintenance of our current equipment
- Sponsor children for competition
  - We would like to help families that are struggling to pay tuition and/or competition fees.
  - Add mentoring programs to help single income family customers.

Your support would be key to putting us in the position to help others in our community. We would like for our impact on the community to continue to be people driven and not financially driven. What could we do to help bring fun, positivity, and excitement at a time where there are so many negative stories. Every dollar given makes a difference in our community and the world. Would you be willing to join us by donating to the benefits listed above? We need and appreciate your help to rise above negative stories that impact our communities today.
